

JFSS Data Science Club

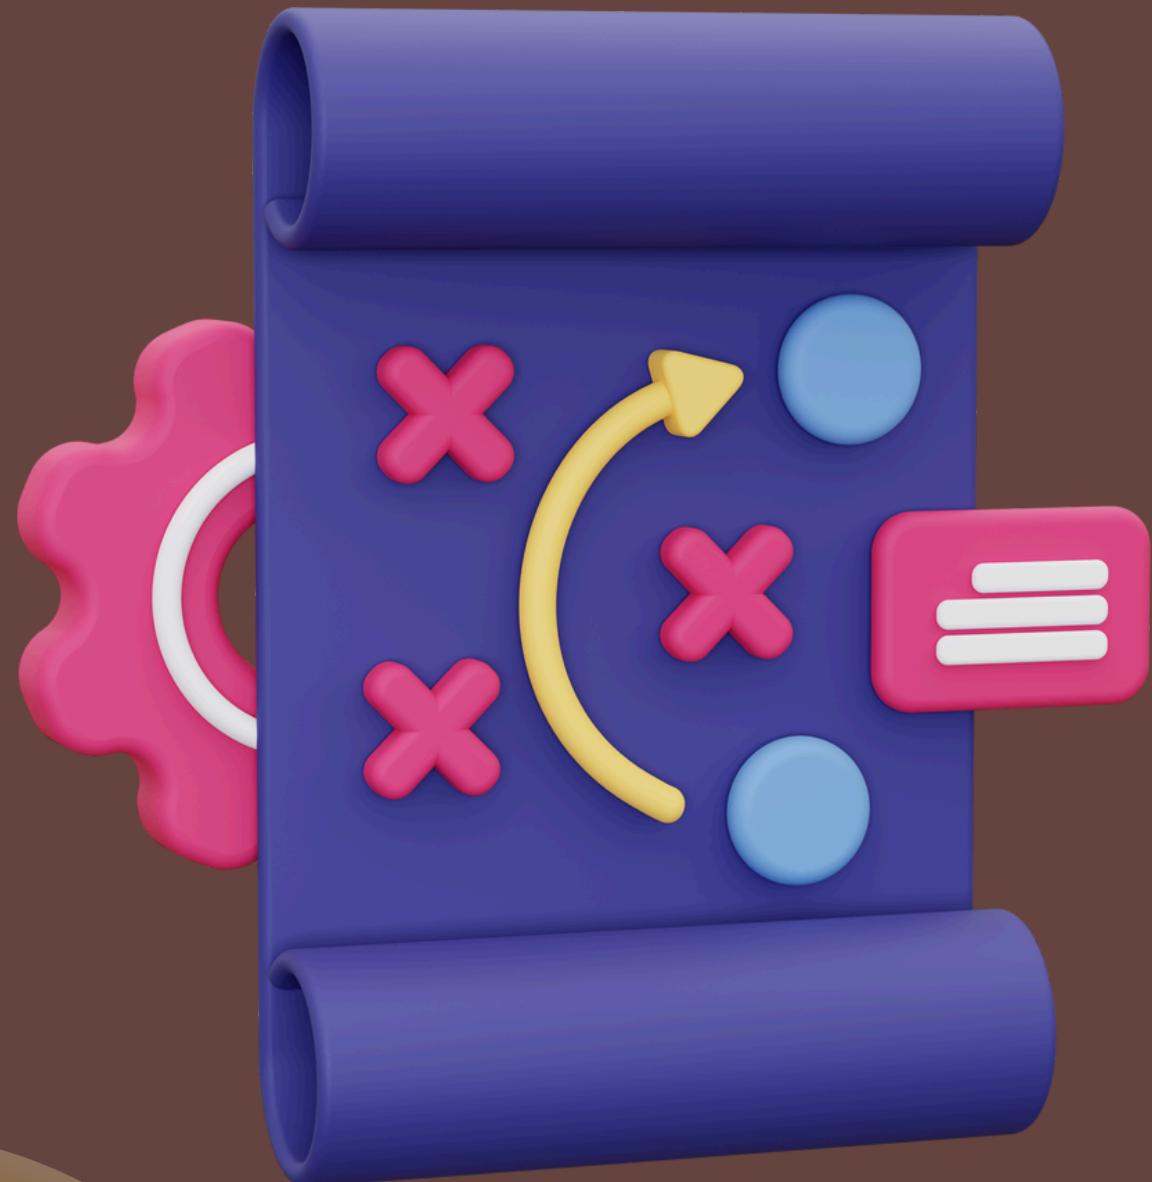

CREATE YOUR OWN PYTHON PROJECT

Meeting #5

JOIN THE REPLIT TEAM

<https://shorturl.at/qsOR9>

CHOICE 1: SIMPLE CALCULATOR

Create a simple calculator! Add as many functions as you want.

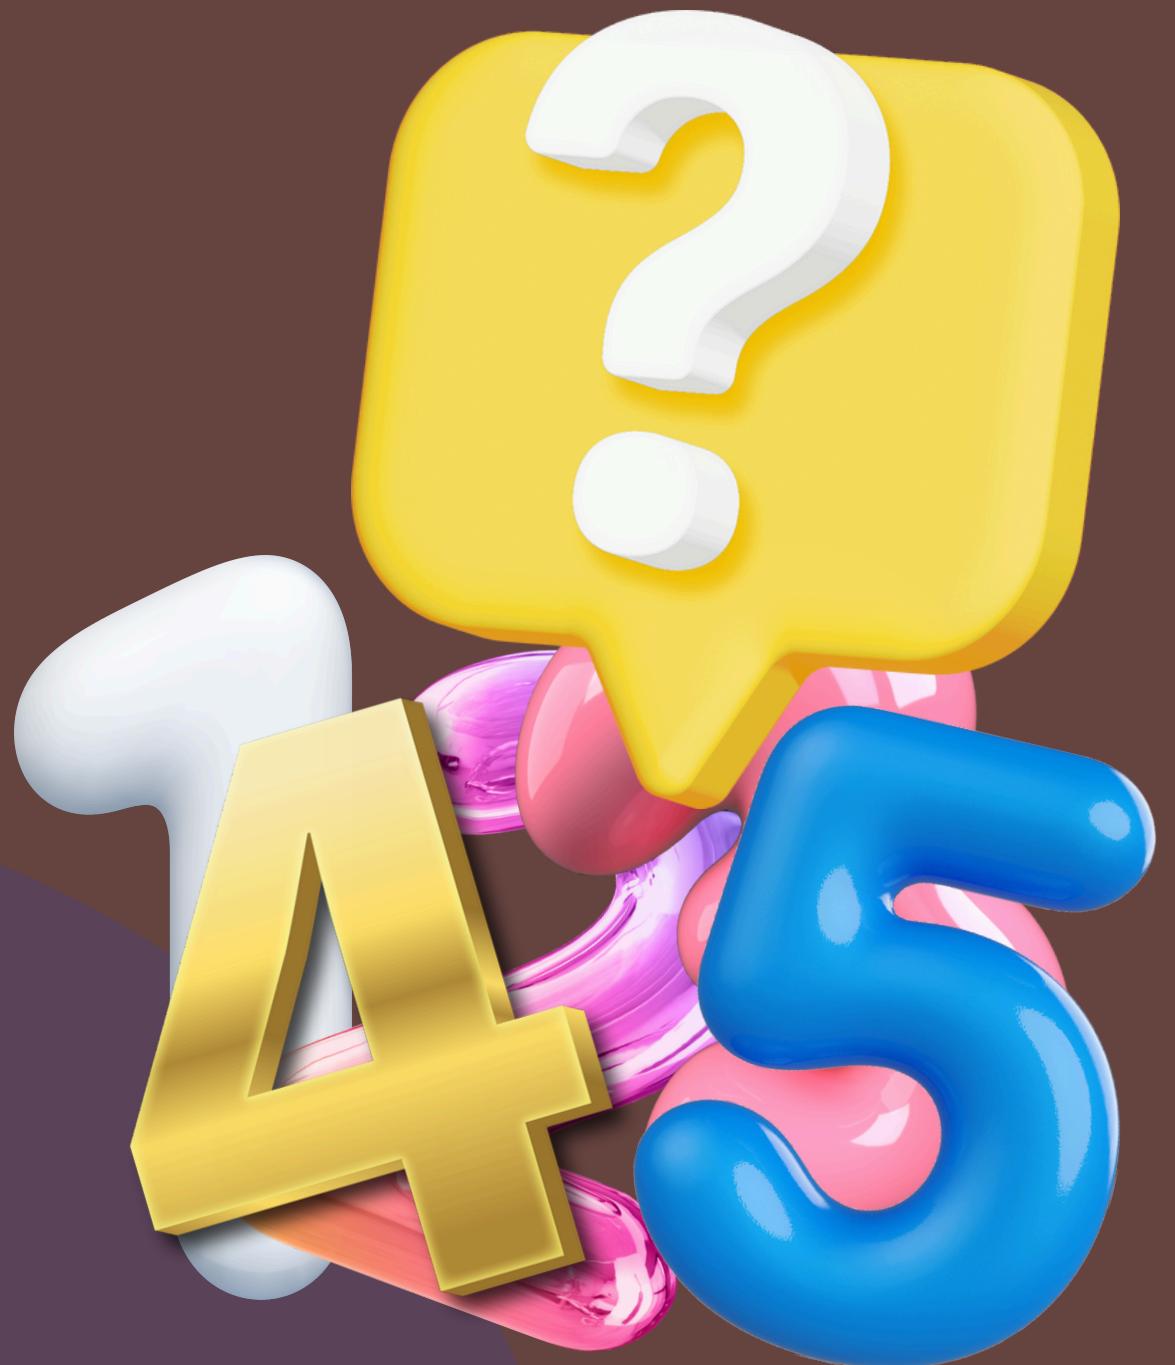

CHOICE 2: CONTACT BOOK

Create a contact book where user can save their contact details and look at them to call other people!

CHOICE 3: ROLL SOME DICE

Leeeeeeeeet's
ROOOOOOOOLLLLLLLL

CHOICE 4: GUESS MY NUMBER

Generate a random number where the user keeps guessing until they guessed it.

Or you can do the opposite way like
number bomb : D

CHOICE 5: CREATIVITY

CREATE YOUR OWN PROJECT!
EXPLORE LIBRARIES!
HAVE FUN!

YOUR LIST OF CHOICES:

1. Simple Calculator
2. Contact book
